**Subject:** Permission to Organize Industrial Visit on 13<sup>th</sup> September 2025

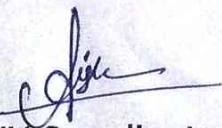

Respected Sir,

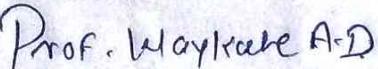

I hope you are doing well. I am writing to seek your kind permission to organize an industrial visit for our SE, TE students to "Sonai Eatables India Private Limited, LONI MIDC, Indapur," on 13<sup>th</sup> September 2025. This visit will provide our students with an opportunity to gain practical knowledge into Manufacturing Company and will significantly enhance their learning experience.

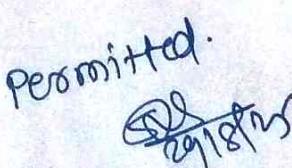

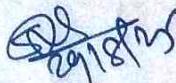

The visit will be carefully planned, ensuring the safety and well-being of all participants. We will ensure all necessary precautions and guidelines are followed. The details of the visit, including the number of students, travel arrangements, and other logistics, will be shared with you beforehand.

We would greatly appreciate your approval to proceed with organizing this educational visit, as it will be a valuable experience for our students. Please let us know if any further information or documentation is required to facilitate this request.

Thank you for considering this request. We look forward to your kind approval.

**Subject:** Request for Permission for Industrial Visit on 13<sup>th</sup> Sep 2025

Respected Sir,

I hope this message finds you well. I am writing to request your kind permission for an industrial visit to your esteemed company on the 13<sup>th</sup> Sep 2025. We, a group of 50 students and staffs from Dattakala Group of Institute, Faculty of Engineering, are keen to gain valuable insights into your industry operations and processes as a part of our academic/learning initiative.

We would be grateful if you could accommodate us for this visit. Kindly let us know if the proposed date is convenient, and if any formalities need to be completed in advance.

Looking forward to your positive response and hoping for your support in making this visit a successful and enriching experience for all involved.

Thank you for considering our request.

**Subject:** Request for College Bus for Industrial Visit on 13<sup>th</sup> sep 2025

Respected Sir,

I am writing to request the use of the college bus for an industrial visit scheduled on 13<sup>th</sup> sep 2025 for the ECE Engineering students. The purpose of this visit is to provide the students with practical exposure to industry practices.

The details of the visit are as follows:

- **Date:** 13<sup>th</sup> sep 2025
- **Time of Departure:** 9:00 AM
- **Time of Return:** 8:00 PM
- **Number of Students:** 50~
- **Destination:** Sonai Eatables India Private Limited, LONI MIDC,

We kindly request your approval and assistance in providing the college bus for this visit. It will greatly help in ensuring the smooth transportation of students and faculty to and from the industrial location.

Thank you for your consideration, and I look forward to your positive response.

Yours sincerely,

Ms. Waykule A. D.  
(I.V. Co-ordinator)

# Industrial Visit Report

## Companies Visited:

1. Sonai Eatables India Private Limited, LONI MIDC, Indapur, Maharashtra
2. Sonai Green Energy Private Limited, Baramati, Maharashtra

## 1. Introduction

The Electronics & Computer (ECE) department conducted a Industrial visit to gain industry exposure and understand the practical implementation of various technologies. The visit included two companies: Sonai Eatables India Private Limited and Sonai Green Energy Private Limited. The purpose of the visit was to study the technological advancements in the food processing and renewable energy sectors, focusing on automation, instrumentation, and communication systems used in industrial processes.

## 2. Visit to Sonai Eatables India Private Limited

### Company Overview

Sonai Eatables India Private Limited (CIN: U15400PN2020PTC193517) is a well-established food processing company located in LONI MIDC, Indapur, Maharashtra. The company specializes in producing and processing high-quality eatable products.

### Observations & Key Learnings

- **Automation in Processing:** The company utilizes advanced automated machinery for food processing, ensuring efficiency and consistency.
- **Instrumentation & Control Systems:** Various sensors and programmable logic controllers (PLCs) are integrated into the production lines to maintain quality standards.
- **Quality Control Measures:** Modern testing equipment is used for quality assurance at different stages of production.
- **Communication Systems:** Supervisory Control and Data Acquisition (SCADA) systems are implemented for monitoring and control.
- **Safety & Hygiene:** The facility follows strict hygiene protocols to ensure product safety and compliance with regulatory standards.

### 3. Visit to Sonai Green Energy Private Limited

#### Company Overview

Sonai Green Energy Private Limited, located in Baramati, is a prominent player in the renewable energy sector, specializing in solar and biomass energy solutions. The company focuses on sustainable energy production, contributing to the reduction of carbon footprints.

#### Observations & Key Learnings

- **Renewable Energy Systems:** The company has advanced solar photovoltaic (PV) and biomass energy plants.
- **Power Electronics & Control:** Inverters, charge controllers, and grid synchronization systems were observed in operation.
- **Energy Storage Solutions:** Battery storage systems are utilized to ensure continuous power supply.
- **Smart Monitoring Systems:** IoT-enabled monitoring platforms are used for real-time data analysis and performance tracking.
- **Environmental Impact:** The company follows eco-friendly policies to promote sustainable energy solutions.

---

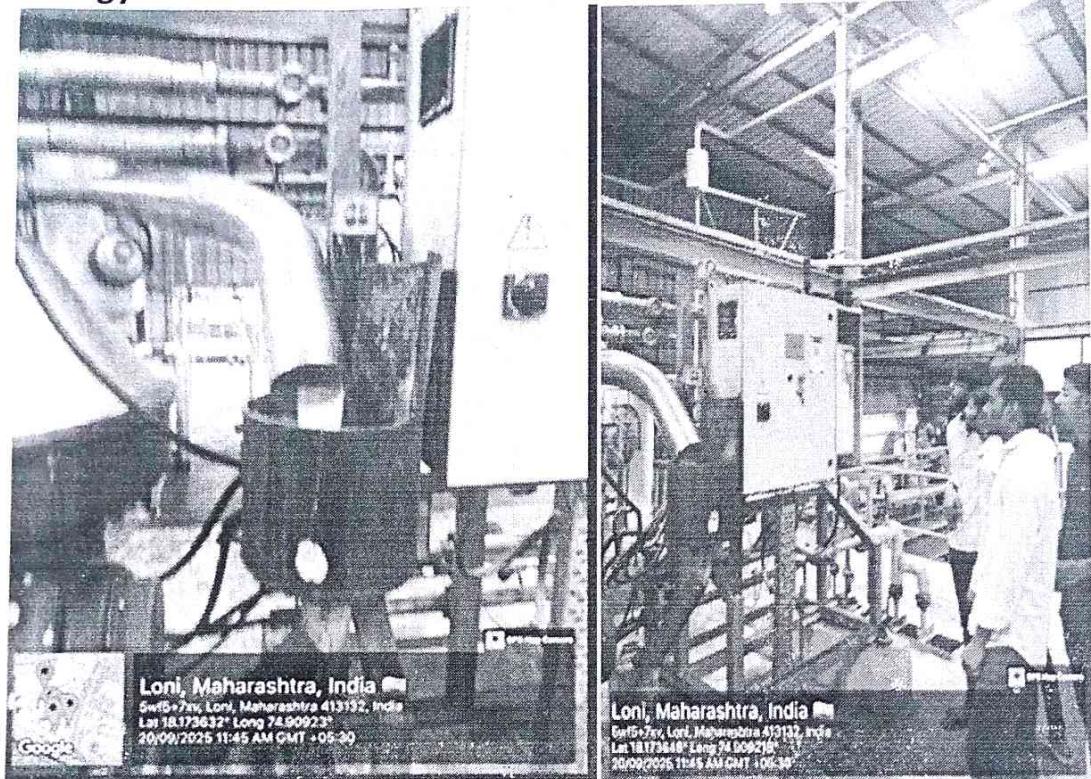

### 4. Conclusion

The field visit provided valuable insights into the practical applications of automation, control systems, and renewable energy technologies. The visit to Sonai Eatables India Private Limited helped understand industrial automation in food processing, while Sonai Green Energy Private Limited showcased innovations in renewable energy solutions. The knowledge gained will be beneficial for further academic learning and research.
