## **01. ICT Enabled Campus:-**

### **Introduction:**

ICT used in the campus is important for giving teachers opportunities for effective teaching and students opportunities for effective learning.

**ICT Enabled Campus:** Information Communication Technology enabled means that any service or product in the study must be based on ICT tools such as software and communication technologies. ICT based teaching is effective and we teach with the help of modern techniques like sharing of knowledge or study materials via Google Drive or other software.

ICT enabled learning is very effective. Due to the ICT enabled learning, learners can understand concepts easily. Information Communication Technology in learning is the mode of learning that uses information and communication technology to support, enhance and optimize the delivery of knowledge and information.

Keeping such an aim in mind, digitization of campus has been done.

Our campus is equipped with ICT enabled facilities.
