**APPRECIATION LETTER**

To,  
Mr. Shubham Chandgude,  
Assistant Professor,  
Civil Engineering Department  
Dr.D.Y.Patil Institute Engineering,  
Akurdi.

Thank you very much for taking out time and visiting our institute to share your experience of working in the domain of emerging technologies of course we have been monitoring your new work of different software for the convenience of the public and hence we want our students to learn from you.

Today's workshop was informative, and the presentation that you delivered has made the students extremely curious about how to pursue a career in new technologies hence we would like to invite you again, but with a slightly different topic of how to get into a career in technologies, if you are free and think that you will be able to guide our students, we would love to have you over again.

Thank you for enriching our experience and with your modesty, we are humbled. Looking forward to having you again.
